VET CENTERS

Life isn't always easy after a deployment. Vet Centers provide a broad range of counseling, outreach, and referral services to combat Veterans and their families. They guide Veterans and their families through major lifestyle adjustments that often occur after a Veteran returns from combat. Services for a Veteran may include individual and group counseling in areas such as Post-Traumatic Stress Disorder (PTSD), alcohol and drug assessment, and suicide prevention referrals. All services are free of cost and are strictly confidential.
