

Soldier & Family Readiness

COVID Assistance Programs

It is the goal of the Soldier & Family Readiness program to empower our Hawaii National Guard ‘ohana to meet the challenges of military and civilian life.

Soldier and Family Readiness Specialists (SFRS) provide resource and referral for whatever challenges you or your family may be facing. We also assist in the setting up and maintaining of Soldier and Family Readiness Groups (SFRGs).

Please contact any of the SFRS below to find out how we can help you through a difficult situation, or if you may be interested in supporting your unit's SFRG.
